# Camera Not Required

## Will I Need a Camera?

**No.** We provide the cameras. We have Nikon, Canon, Sony DSLR cameras, Canon motion cameras, Hasselblad and Phase One medium format cameras that may be reserved for assignments or personal work from our Equipment Room.

# Computer Required

## Will I Need a Computer?

**Yes.** You will need to purchase your own MacBook Pro. Algonquin College's Photography Program is Mac based, hardware and software needs are very specific.

## Can I use a PC?

**No.** In-class software demos will take place on apple computers. If you use a different operating system it could be more difficult for you to follow along in class, which could jeopardize your learning.

If you have not purchased your computer yet, check our [Program FAQ](#) for specs. Feel free to email Trevor Pearson if you have any questions:  
[pearsot@algonquincollege.com](mailto:pearsot@algonquincollege.com)
